

25 YEARS

Serving the Extractive, Energy and Infrastructure Industries

For a quarter of a century, MTL Consulting has been at the forefront of the mining industry in Tanzania and Africa; providing expert consulting services that have shaped the sector's growth and prioritized the well-being of the community.

As we commemorate our 25th anniversary this year, we reflect on our enduring legacy and unwavering commitment to sustainable development.

Since our establishment, MTL Consulting has been a trusted partner, working hand in hand with governments and key stakeholders to ensure the steady growth and advancement of the mining sector.

We understand that responsible mining practices go beyond mere extraction; they encompass environmental stewardship, community engagement and socio-economic development.

MTL Consulting has established a reputation for excellence and reliability during its 25 years of operation. Our dedication to delivering high-quality services, promoting environmental stewardship, and fostering sustainable development has had a significant impact on industries in the region.

As we enter the next phase of our journey, MTL Consulting remains dedicated to innovation, continuous improvement, and keeping up with emerging trends. We are eager to embrace new challenges and opportunities.
